

November 2022

Dear Merit Customer,

Our mission at Merit Medical is to understand your needs and innovate and deliver technologies that support your care for patients. As your partners in patient care, we are committed to keeping you informed of potential supply challenges. Due to the pandemic-related global shortage of PTFE, we anticipate we will temporarily be unable to supply a subset of the One Snare® System products. If the desired product code becomes unavailable, we encourage you to consider our recommended alternative products for your patients' needs as we seek to minimize the impact of this back order on patient care worldwide.

On Back Order	Snare Working Diameter (mm)	Snare Length (cm)	Catheter Size (F)	Alternate Products	Snare System	Snare Working Diameter (mm)	Snare Length (cm)	Catheter Size (F)

We are dedicated to delivering solutions to healthcare partners and providing the highest-quality products and service for the care of your patients. Please contact your Merit Sales Representative or Customer Support* for updates on availability or should you have any questions. We appreciate your business, continued support, and understanding.

*See page 2 for the customer service contact details within your region.

Sincerely,

Jodie Love
Vice President, Marketing – EMEA
